

# Coronavirus Disease (COVID-19)

## Measures for **Partial Infection Alert Period**

Saturday, September 12-

## To all residents

### Travel and Outings

- **Reconsider travel to infection hotspots※ unless absolutely necessary. (If you travel, record your activities for 14 days following your return.)**

※Prefectures with 5 new cases per 100,000 people in one week (Tokyo, Osaka, etc.). Check which prefectures meet this criterion on NHK's dedicated Coronavirus Info Page (Japanese only).

[\(https://www3.nhk.or.jp/news/special/coronavirus/data/\)](https://www3.nhk.or.jp/news/special/coronavirus/data/)

- **Refrain from visiting businesses that lack infection prevention measures (outlined in the infection prevention guidelines for each business type).**
- **Maintain distance between seats and do not speak loudly when eating out. Avoid the 3 C's, such as enclosed spaces.**
- **Install the official COVID-19 Contact App, COCOA.**
