This is a detailed topographic map of the Mito area in Japan. The map features contour lines indicating elevation, with major peaks reaching over 400 meters. Key geographical features include several large ponds: 大池 (Great Pond) in the northwest, 新池 (New Pond) in the center, 逆瀬池 (Sagami Pond) in the northeast, and 岩鍋池 (Iwanabe Pond) in the north. The map also shows the 山麓駅 (Yamashiro Station) and the 五郷ダム (Gokyo Dam) in the southwest. The 三豊市 (Mitsuhoshi City) is labeled in the center-right. The 四国のみち (Shikoku no Michi) is marked in the center, and the 薬師峠 (Yasui Toge) is shown in the southeast. The map includes various other labels for locations like 大野原町丸井 (Ono-hara Town Marui) and 山本町河内 (Yamamoto Town Kawanishi). The map is oriented with North at the top.
